PROFILE

Multidisciplinary creative and BSIT graduate with 5+ years across wedding and event films, campaign design, and web development. I pair story-led visuals with practical, security-aware digital work and a hands-on approach to solving problems.

EXPERIENCE

Video Editor & Videographer

2020 - PRESENT

Blaze Kultura | Multimedia production

- Delivered 450+ wedding and event edits, including same-day films, concerts, festivals, pageants, and liturgical coverage.
- Created 50+ promotional and corporate projects; edit and color primarily in DaVinci Resolve, using Adobe tools when a project calls for them.
- Designed campaign graphics and managed Sangyaw Festival social content across video, digital, and print formats.

Freelance Wedding & Events Videographer

2018 - PRESENT

8 Video Association (8VA)

- Supported 15+ videography teams on event capture, live production, and aerial footage; completed 160+ drone flights and 220 km of recorded flight distance.
